The weekend would like to buy a vowel.

FRIED OREOS

### Genki Expands Its Empire to VaHi

When you think Virginia Highland, you think sushi. Primarily because there isn't any. But this Sunday, Genki opens its latest outpost for octopus nigiri and *Tempura Fried Oreos* in VaHi... with the added benefit of a 1,000-square-foot patio and \$3 sushi rolls and drafts on Tuesdays. See you Tuesday.

**411:** Opens May 1, [Genki](#), 1040 N Highland Ave NE, 404-853-3315, [see the menu](#)
