About This Event

Genki Noodles and Sushi Opening

- **Date:** November 12, 2009
- **Description:** After 13 successful years in Buckhead, Genki Noodles and Sushi opened a second location in The Prado Shopping Center in Sandy Springs. Open for lunch and dinner seven days a week, Genki has become known for its reasonably priced, delicious Asian fusion cuisine that is served in a playful and casually upscale atmosphere. In conjunction with the grand opening of Genki in Sandy Springs, both locations will have an expanded menu and wine list, ten new specialty cocktails, and delivery service. To celebrate the official opening of the second location, Genki hosted a grand opening celebration. Over 400 guests attended and mix and mingled in the new 3500-square foot space, while enjoying complimentary Sapporo, sake bombs, TY KU cocktails, sushi & bites, music by Heather b, giveaways, sumo wrestling and more.
